#### *Serving in Love:*

- I am balancing graduate studies, DCOM preparation, and Course of Study to begin in March.
- I want to thank Shirley for her amazing work with staging our worship area and preparing the bulletin board for our Love challenge.
- I along with the worship team am hard at work putting together an Easter to Remember!
- I want to thank Pam for taking the lead in this busy season to plan and lead the lessons for our Youth.
- I pray that my message of hope came through at the funeral service for Stephanie Toland's Father.
- I am working on all the preparation for my upcoming Women's Conference.
- I am seeking the Lord on a Midweek message series for Lent.
- I have celebrated the addition of our new entranceway with prayer and anointing, May the Lord bring the lost through our doors.

*Concerns: Pray for all of those that feel alone, isolated, forgotten, and hopeless.*

*May we push into the darkness of every situation with the light and love of Jesus*

*Christ.*
